No member shall speak a second time on the same question except for a breach of order, or misrepresentation, or to direct the attention of the Conference to the fact that the time has arrived for a Special Order, or to raise a very urgent question of high privilege.

#### **Rule 8. INTERRUPTING THE SPEAKER**

No member who has the floor may be interrupted except for a member who has not spoken who desires the floor, nor more than twice on the same subject under the same motion, nor longer than ten minutes unless his time shall be extended by the Conference, except as provided in Rule 39.

This ten-minute limit may be reduced by a majority vote of the Conference at any time, and for any period of duration.

#### **Rule 9. QUESTION OF HIGH PRIVILEGE**

A member claiming the floor at any time for what he believes is a very urgent question of high privilege, shall be allowed to indicate briefly the nature of the question, and if it be adjudged by the Chair to be such, he may proceed at his pleasure, or until the Chairman judges that he has exhausted his privilege. (See Plan of Organization, Division IV. Committees. Section I, Sub-section (5) a.)

#### **Rule 10. VOTING AREA OF CONFERENCE**

Only Delegates within the area of the Conference when the vote is taken shall be entitled to vote. All Delegates within the area of the time a question is put, shall vote, except such as shall have been excused for special reasons by the Conference.

#### **Rule 11. METHOD OF VOTING**

Voting shall be a show of hands unless otherwise or-

dered by the Conference. An "Aye" and "No" vote, if taken, shall be by signed ballot. An "Aye" and "No" vote, and also a count vote, may be ordered on call of any member supported by one-third of the members present and voting, in which case the Delegates shall rise from their seats and stand until counted.

No other business shall be in order when a vote is being taken, or when the Previous Question has been called, until the process is completed, except such as relates to the vote itself, or that which can be appropriately fitted into the time while waiting for the Report of the Secretaries on a count vote, or an "Aye" and "No" vote. (Rule 26 (2).)

When a count vote is ordered, the count shall be made by the chairman of the delegation, who shall report to the Secretary of the Southeastern Jurisdictional Conference the number of those in the Delegation voting for and voting against a Motion or a Report.

#### Rule 12. DIVISION OF QUESTION

Before a vote is taken any Delegate shall have the right to call for a division of any question, if it is subject to such division as he indicates. If no Delegate objects, the division shall be made, but if there is an objection the Chair shall put the question of division to vote, not waiting for a second.

#### Rule 13. VOTE BY ORDERS

The Ministerial and Lay Delegates shall deliberate as one body; but upon a call, by motion, of any Delegate, seconded by another Delegate of the same Order and supported by one-third of the members of that Order voting, the Ministerial and Lay Delegates shall vote separately. But when the Conference votes by Orders no measure shall be passed without the concurrence of a majority of both classes of Delegates. In cases of such a vote the Order calling for it shall vote first; *provided*, however, that the Conference may not vote by Orders on a proposed amendment to the Constitution. (*Discipline*, 1968 Paragraph 64.)

#### Rule 14. MOTION FOR ADOPTION OF REPORTS AND RESOLUTIONS UNNECESSARY

Whenever a Report of a Committee, signed by the Chairman and Secretary thereof, or a Resolution signed by two or more members of the Conference, shall be presented to the Conference for its action, it shall be deemed in proper order for consideration by the Conference, without the formality of a motion to adopt and a second thereto.

## IV. Business Procedure

### Rule 15. REQUIRED FORMS FOR REPORTS, RESOLUTIONS, MOTIONS, AMENDMENTS

All Resolutions and Committee Reports shall be presented in triplicate; and when requested by the Secretary, motions, including amendments, shall be presented in writing.

### Rule 16. READING OF REPORTS AND RESOLUTIONS

All Resolutions, Committee Reports, and communications to the Conference shall be read by the Secretary except as otherwise provided in Rule 36.

### Rule 17. ALTERATION OF MOTIONS, ETC.

When a motion is made and seconded, and stated by the Chair, or a Resolution is introduced and seconded, or a Committee Report is made, or is published in the *Daily Advocate* it shall be deemed in possession of the Conference, may not be altered except by action of the Conference. (See Rule 35.)

### Rule 18. UNDEBATABLE MOTIONS

The following motions shall be acted upon without debate:

- (1) To adjourn, when unqualified, except to adjourn the Conference finally.
- (2) To suspend a Rule, or Rules, of our "Rules of Order," or any provision of our "Rules of Order."
- (3) To lay on the table, except as provided in Rule 39.
- (4) To take from the table.
- (5) To call for the Previous Question.
- (6) To reconsider a non-debatable motion.
- (7) To limit or extend the limits of debate.
- (8) To call for the Orders of the Day.

### Rule 19. RIGHTS OF THE MAIN QUESTION

The main question may be opened to debate under the following motions: To adopt, commit, to substitute, to postpone, and to reconsider. No new motion, Resolution, or subject shall be entertained until the one under consideration shall have been disposed of except as provided in Rule 11. The foregoing does not apply to secondary motions if otherwise allowable in the existing parliamentary situation.

### Rule 20. PRECEDENCE OF SECONDARY MOTIONS

If any one or more of the following motions shall be made when one or more other motions are pending the order of their precedence in relation to one another shall be the same as the order of their listing below:

(1) To fix the time to which the Conference shall adjourn.

(This motion is subject to amendment, or it may be laid on the table.)

(2) To adjourn.

(3) To take recess.

(4) To raise a question of privilege.

(5) To call for the Orders of the Day.

(6) To order the Previous Question.

(7) To lay on the table.

(8) To limit or extend the limits of debate.

(9) To postpone to a given time.

(10) To refer.

(11) To amend or substitute (one amendment being allowed to an amendment).

(12) To postpone indefinitely.

### Rule 21. TABLING RELATED MOTIONS

No motion which adheres to another motion, or has another motion adhering to it, can be laid on the table by itself. Such motions, if laid on the table, carry with them the motions to which they respectively adhere, or which adhere to them.

### Rule 22. REFERRING A SECTION OF REPORT, ETC.

It shall be in order for the Conference to refer to a Committee, a section or part of a Report or Resolution which is before the Conference for consideration, or any amendment offered thereunto.

### Rule 23. PROCEDURE FOR CONSIDERATION OF SUBSTITUTES

When a Resolution or Committee Report is properly before the Conference for consideration and action (even if amendments thereto are pending), a substitute therefor may be offered by any member moving that the same be substituted for the Resolution or Report under consideration. The motion to substitute may not be considered or put, however, until the original Report or Resolution is perfected, including consideration of an action on any amendment to it which may have been offered. The Conference may terminate this perfecting process by ordering the Previous Question on the motion to adopt the Report or Resolution. If this be done, the vote shall immediately be taken on any amendments to the Report or Resolution then pending, but the vote shall not be taken on the adoption of the Report or Resolution or on making the substitution until the substitute is also perfected. The main question, or Report, or Resolution, having been perfected, the substitute shall be considered, which consideration may be terminated at any time by ordering the Previous Question, in which case, after action on any amendments to the substitute then pending, the vote shall be taken on

the motion to substitute. After this, without further debate or amendment the vote shall be taken on the motion to adopt, if the Previous Question thereon was ordered as above indicated as being allowable, or if it was ordered later.

In the course of the foregoing perfecting process in the case of the main question or the substitute, or both, the time to be consumed in presenting, considering, and acting on amendments may be limited by action of the Conference. If this is done, the Previous Question may not be put on the adoption of the Report or Resolution, or making the proposed substitution until two members (including the Chairman of Committee presenting the Report and the member presenting the substitute, if the pending question is the adoption of a Report of a Committee) shall have spoken on each side of the proposal to substitute or adopt, as the case may be, after the motions to amend, if there be any, have been acted upon, if there be those who desire so to speak.

#### **Rule 24. PREVIOUS QUESTION** (See Rules 18 (5), 23, 25, 39.)

When any member moves the Previous Question (that is, that the vote be now taken on the motion or motions pending), he shall indicate to what he intends it to apply, if any secondary motion or motions are also pending. If he does not so indicate, it shall be regarded as applying only to the immediately pending question. This motion shall be taken without debate and shall require a two-thirds vote of those present and voting for its adoption, and if adopted the vote shall be taken on the motion or motions to which it applies without further debate except as provided in Rule 39.

#### **Rule 25. UNLAWFUL MOTION AFTER SPEECH**

It shall not be in order for a member immediately after discussing a pending question, and before relinquishing the floor, to make a motion whose adoption would limit or stop debate.

#### **Rule 26. EXCEPTIONS TO MAJORITY VOTE**

A majority of those voting, a quorum being present, shall decide all questions with the following exceptions:

- (1) A tie vote sustains the Chair, if an appeal is made from his decision. Rule 3.
- (2) One-third of those present and voting shall suffice to sustain a call for an "aye" and "no" vote or a count vote. Rule 11.
- (3) A call vote by Orders shall prevail if sustained by one-third of the members of the Order from which the call came, present and voting. Rule 13.
- (4) A two-thirds vote shall be required to sustain a

motion to suspend or amend a Rule, or Rules, of our "Rules of Order," or any provisions of our "Rules of Order" (Rules 41, 42.); to sustain a motion for the Previous Question (Rule 24.); to set aside a motion for the Previous Question (Rule 24.); to set aside a special order; to consider a special order before the time therefor, or any motion whose adoption would limit debate.

(5) A two-thirds vote shall be required to approve a proposal for a Constitutional Amendment. (See Par. 64, 1968 *Discipline*.)

### Rule 27. RECONSIDERATION

A motion to reconsider an action of the Conference shall be in order at any time if offered by a member who voted with the prevailing side. If the motion to reconsider may reconsider is non-debatable, the motion to reconsider may not be debated.

### Rule 28. CALENDAR; REGULAR, NON-CONCURRENT

The Secretary shall keep a chronological record of Orders of the Day and of Reports of Committees (see Rule 34.) and this record shall be called the Calendar, and the matters of business placed on it shall be considered in order, unless by a two-thirds vote of the Conference an item is taken up out of its order.

Standing Committee Reports recommending *non-concurrence* shall be kept upon a separate Calendar to be taken up when the regular Calendar is exhausted, or at the pleasure of the Conference, except when a minority presents a Report recommending *concurrence*, in which case both shall be included in the regular Calendar.

### Rule 29. MOTION TO ADJOURN IN ORDER, EXCEPT

The motion to adjourn, when unqualified, shall be taken without debate, and shall always be in order, except

(1) When a Delegate has the floor.

(2) When a question is actually put, or a vote is being taken, and before it is finally decided.

(3) When the Previous Question has been ordered and action thereunder is pending.

(4) When a motion to adjourn has been lost, and no business or debate has intervened.

(5) When a motion to fix the time to which the Conference shall adjourn is pending.

The foregoing does not apply to a motion for final adjournment of the Conference.

## **V. Committees: Duties and Prerogatives**

### **Rule 30. COMMITTEE OF REFERENCE TO ALLOCATE THE EPISCOPAL MESSAGE AND THE REPORT OF THE JURISDICTIONAL COUNCIL**

The Committee of Reference shall allocate the Episcopal Message and the report of the Jurisdictional Council to appropriate Committees dealing with the matters germane thereto. The adoption of the report of the Committee of Reference shall be notification to those appropriate Committees which have a report on the Episcopal Message and the report of the Jurisdictional Council.

### **Rule 31. PREPARATION AND PRESENTATION OF COMMITTEE REPORTS**

Every Committee of the Jurisdictional Conference is hereby authorized to delegate to the Chairman and Secretary of the Committee the duty of preparing and presenting to the Jurisdictional Conference the action taken by the Committee on any given subject, and every Committee is authorized to grant to a minority of the Committee the right to draft and to present to the Jurisdictional Conference a Minority Report without reading the same before the full Committee, providing the substance of the said Minority Report has been stated to the Committee.

### **Rule 32. DUTIES AND PREROGATIVES OF COMMITTEES**

When a Memorial or Resolution or any such item is referred to one of the several Standing Committees, it shall be understood that the whole question with which the paper has to do is referred to that Committee for such action as it may deem wise. Committee Reports, or Resolutions, Memorials, Petition, etc., shall cite the same, identifying them by the numbers they bear, respectively, in the published Reports of the Committee of Reference, or in some other suitable manner.

When a Committee ascertains that another Committee is or should, in its judgment, be considering a subject which the former is also considering, it shall proceed to arrange for a conference of representatives from the respective Committees in order to settle the question at issue. If by this process agreement as to location of responsibility cannot be reached, the matter shall be referred to the Committee of Chairmen.

### **Rule 33. ALTERATIONS IN RESTRICTIVE RULES**

Reports from Committees, and all other papers which propose an alteration in the Restrictive Rules of the Church, shall state the alteration proposed to be made, and the form of the motion shall be: "Will the South-eastern Jurisdictional Conference recommend to the General and Annual Conferences the change indicated above?"

#### **Rule 34. STANDING COMMITTEES REPORT TO SECRETARY**

At the close of each day's meeting the Chairman and Secretaries of the several Standing Committees shall provide the Secretary of the Conference with copies in **TRIPLICATE** of all Reports adopted by their respective Committees for presentation to the Conference. The Secretary shall enter said Reports on the Calendar in the order in which they reach him and shall furnish the Editor of the *Daily Advocate* with one copy of each of the said Reports for publication in the next day's issue.

#### **Rule 35. PUBLISHED REPORTS IN POSSESSION OF CONFERENCE**

A Report of any Committee signed by the Chairman and Secretary thereof shall be regarded as in possession of the Conference on the next day after its first appearance in the *Daily Advocate*, and in order for consideration at the pleasure of the Conference. The same Rule shall apply to a Report of a Minority of any Committee signed by one-tenth of the members of the Committee or by ten members thereof. (See Rule 17, and Rule 23.)

#### **Rule 36. PREPARATION AND PRINTING OF REPORTS**

All Committee Reports shall be presented to the Secretary of the Conference in **TRIPLICATE** on paper provided therefor, and bearing at the top of the name of the Committee, its total membership, the number present at the time the Report was adopted, the number of voting for and against the Report, and the number not voting. Reports of the Standing Committees shall be printed in the *Daily Advocate* at least one day before being presented for consideration by the Conference, and they shall not be read unless by its order.

Reports of Minorities of Committees adopted by them with a view of their being offered as substitutes for Committee reports shall likewise conform to this Rule so far as it is applicable, indicating clearly to what Committee the respective Minorities belong and for what Report, or Reports by serial numbers, etc., they propose the respective substitutes.

#### **Rule 37. COMMITTEE CHAIRMAN NOT IN HARMONY WITH REPORT**

When the Chairman of a committee is not in harmony with a Report adopted by the Committee, it shall be his duty to state the fact to the Committee, which shall elect one of its members to represent the Committee, and said representative shall have all the rights and privileges of the Chairman in relation to such Report.

#### **Rule 38. PRESENTATION OF REPORT OF MINORITY**

A member selected by the signers of a Minority Report

of a Committee to present the same shall have the same rights and privileges in relation thereto which belong to the Chairman in the presentation of the regular (Majority) Report of the Committee, except that he may not present said Minority Report until the Majority Report has been presented and shall then offer it as substitute therefor, and except, further, that in closing the debate on the question of making the substitution the member presenting the Minority Report shall speak first and the Chairman last. (See Rule 23.)

### Rule 39. SPEAKERS FOR AND AGAINST

When the Report of a Committee is under consideration, it shall be the duty of the Presiding Officer to ascertain, when he recognizes a member of the Conference, on which side he proposes to speak, and he shall not assign the floor to any member proposing to speak on the same side of the pending question as the speaker immediately preceding, if any member desires to speak on the other side thereof.

Except for undebatable motions, no Report shall be adopted or question relating to the same decided without opportunity having been given for at least one speech for and one against the said proposal; provided this right is claimed before the Chairman or duly authorized member representing the Committee's Report, or the Minority Report, if there be such, is presented to close the debate.

When all have spoken who desire to do so, or when (and after) the Previous Question has been ordered, the Chairman or/and duly authorized member or members presenting the Committee's Report (and the Minority Report if there be one) shall be entitled to speak before the vote is taken.

This right of the Chairman and/or other member, or members, to close the debate shall prevail in like manner, to a limit of five minutes, when a vote is about to be taken on a motion to amend, to substitute, to postpone, to refer, to lay on the table or any other motion whose adoption would vitally affect the Report under consideration; provided, that this five-minute limit shall not apply to a motion to substitute a Minority Report for a regular (Majority) report of a Committee.

### Rule 40. LEGAL ENACTMENT

All actions of the Southeastern Jurisdictional Conference of The United Methodist Church shall become effective upon the adjournment of the present session (1972) of the Southeastern Jurisdictional Conference of The United Methodist Church, unless otherwise specified.

## VI. Suspending, Amending, and Supplementing

The operation of any of the provisions of this Plan of Organization or these Rules of Order may be suspended at any time by a two-thirds vote of the Conference. (See Rule 26 (4).)

### Rule 42. AMENDING RULES

(See Rule 26 (4).)

### Rule 43. ROBERTS' RULES OF ORDER REVISED, SUPPLEMENTAL AUTHORITY

In any parliamentary situation not clearly covered by this Plan of Organization, or these Rules of Order, the Southeastern Jurisdictional Conference shall be governed in its action by Roberts' Rules of Order, Revised.

## IV. COMMITTEES

### 1. Administrative Committees

(1) Rules. There shall be a Committee of five on Organization

and Rules of Order, of which Committee the Secretary and Treasurer of the Conference shall be *ex officio*, additional members. To this Committee shall be referred any proposed amendments to the Plan of Organization and Rules of Order. See Rule 42.

This Committee shall restudy the Plan of Organization and Rules of Order, and after making such needed changes and adaptations therein as in their judgment are necessary, shall present them to the Southeastern Jurisdictional Conference for consideration and final action.

The Plan of Organization and Rules of Order of the Southeastern Jurisdictional Conference, thus adopted, shall be the Plan of Organization and Rules of Order published in the Journal of the preceding Southeastern Jurisdictional Conference, until they have been altered or amended by the action of the Southeastern Jurisdictional Conference.

The Committee of Reference may withdraw a paper after having assigned it to a Committee, either upon request or upon its own motion. It may also withhold from reference or publication any document it shall deem improper,

promptly advising the author or authors thereof of its action in order that appeal may be made to the Conference, if desired. This Committee shall publish, each day in the *Daily Advocate*, a list of the communications it has referred to the several Standing Committees, identifying each by number, title, origin, and destination. No Petition shall be assigned by the Committee of Reference to any Jurisdictional Conference Committee unless it comes from some organization, minister, or member of The United Methodist Church, and contains information essential to the verification of the alleged facts concerning its origin. ### **Rule 21. Tabling Related Motions**

No motion which adheres to another motion, or has another motion adhering to it, can be laid on the table by itself. Such motions, if laid on the table, carry with them the motions to which they respectively adhere, or which adhere to them.

### **Rule 22. Referring a Section of Report, Etc.**

It shall be in order for the Conference to refer to a Committee, a section or part of a Report or Resolution which is before the Conference for consideration, or any amendment offered thereunto.

### **Rule 23. Procedure for Consideration of Substitutes**

When a Resolution or Committee Report is properly before the Conference for consideration and action (even if amendments thereto are pending), a substitute therefor may be offered by any member moving that the same be substituted for the Resolution or Report under consideration. The motion to substitute may not be considered or put, however, until the original Report or Resolution is perfected, including consideration of an action on any amendment to it which may have been offered. The Conference may terminate this perfecting process by ordering the Previous Question on the motion to adopt the Report or Resolution. If this be done, the vote shall immediately be taken on any amendments to the Report or Resolution then pending, but the vote shall not be taken on the adoption of the Report or Resolution or on making the substitution until the substitute is also perfected. The main question, or Report, or Resolution, having been perfected, the substitute shall be considered, which consideration may be terminated at any time by ordering the Previous Question, in which case, after action on any amendments to the substitute then pending, the vote shall be taken on the motion to substitute. After this, without further debate or amendment the vote shall be taken on the motion to adopt, if the Previous Question thereon was ordered as above indicated as being allowable, or if it was ordered later.

In the course of the foregoing perfecting process in the case of the main question or the substitute, or both, the time to be consumed in presenting, considering, and acting on amendments may be limited by action of the Conference. If this is done, the Previous Question may not be put on the adoption of the Report or Resolu-

tion, or making the proposed substitution until two members (including the Chairman of Committee presenting the Report and the member presenting the substitute, if the pending question is the adoption of a Report of a Committee) shall have spoken on each side of the proposal to substitute or adopt, as the case may be, after the motions to amend, if there be any, have been acted upon, if there be those who desire so to speak.

#### **Rule 24. Previous Question** (See Rules 18 (5), 23, 25, 39.)

When any member moves the Previous Question (that is, that the vote be now taken on the motion or motions pending), he shall indicate to what he intends it to apply, if any secondary motion or motions are also pending. If he does not so indicate, it shall be regarded as applying only to the immediately pending question. This motion shall be taken without debate and shall require a two-thirds vote of those present and voting for its adoption, and if adopted the vote shall be taken on the motion or motions to which it applies without further debate except as provided in Rule 39.

#### **Rule 25. Unlawful Motion After Speech**

It shall not be in order for a member immediately after discussing a pending question, and before relinquishing the floor, to make a motion whose adoption would limit or stop debate.

#### **Rule 26. Exceptions to Majority Vote**

A majority of those voting, a quorum being present, shall decide all questions with the following exceptions:

(1) A tie vote sustains the Chair, if an appeal is made from his decision. Rule 3.

(2) One-third of those present and voting shall suffice to sustain a call for an "aye" and "no" vote or a count vote. Rule 11.

(3) A call vote by Orders shall prevail if sustained by one-third of the members of the Order from which the call came, present and voting. Rule 13.

(4) A two-thirds vote shall be required to sustain a motion to suspend or amend a Rule, or Rules, or our "Rules of Order," or any provisions of our "Rules of Order" (Rules 41,42.); to sustain a motion for the Previous Question (Rule 24.); to set aside a motion for the Previous Question (Rule 24.); to set aside a special order; to consider a special order before the time therefor, or any motion whose adoption would limit debate.

(5) A two-thirds vote shall be required to approve a proposal for a Constitutional Amendment. (See Par. 64, 1968 *Discipline*.)

#### **Rule 27. Reconsideration**

A motion to reconsider an action of the Conference shall be in order at any time if offered by a member who voted with the

prevailing side. If the motion it is proposed to reconsider is non-debatable, the motion to reconsider may not be debated.

### **Rule 28. Calendar; Regular, Non-Concurrent**

The Secretary shall keep a chronological record of Orders of the Day and of Reports of Committees (see Rule 34.) and this record shall be called the Calendar, and the matter of business placed on it shall be considered in order, unless by a two-thirds vote of the Conference an item is taken up out of its order.

Standing Committee Reports recommending *non-concurrence* shall be kept upon a separate Calendar to be taken up when the regular Calendar is exhausted, or at the pleasure of the Conference, except when a minority presents a Report recommending *concurrence*, in which case both shall be included in the regular Calendar.

### **Rule 29. Motion to Adjourn in Order, Except**

The motion to adjourn, when unqualified, shall be taken without debate, and shall always be in order, except

(1) When a Delegate has the floor.

(2) When a question is actually put, or a vote is being taken, and before it is finally decided.

(3) When the Previous Question has been ordered and action thereunder is pending.

(4) When a motion to adjourn has been lost, and no business or debate has intervened.

(5) When a motion to fix the time to which the Conference shall adjourn is pending. The foregoing does not apply to a motion for final adjournment of the Conference.

## **V. COMMITTEES; DUTIES AND PREROGATIVES**

### **Rule 30. Committee of Reference to Allocate the Episcopal Message and the Report of the Jurisdictional Council**

The Committee of Reference shall allocate the Episcopal Message and the report of the Jurisdictional Council to appropriate Committees dealing with the matters germane thereto. The adoption of the report of the Committee of Reference shall be notification to those appropriate Committees which have a report on the Episcopal Message and the report of the Jurisdictional Council.

### **Rule 31. Preparation and Presentation of Committee Reports**

Every Committee of the Jurisdictional Conference is hereby authorized to delegate to the Chairman and Secretary of the Committee the duty of preparing and presenting to the Jurisdictional

Conference the action taken by the Committee on any given subject, and every Committee is authorized to grant to a minority of the Committee the right to draft and to present to the Jurisdictional Conference a Minority Report without reading the same before the full Committee, providing the substance of the said Minority Report has been stated to the Committee.

### **Rule 32. Duties and Prerogatives of Committees**

When a Petition or Resolution or any such item is referred to one of the several Standing Committees, it shall be understood that the whole question with which the paper has to do is referred to that Committee for such action as it may deem wise. Committee Report, or Resolutions, Petition, etc., shall cite the same, identifying them by the numbers they bear, respectively, in the published Reports of the Committee of Reference, or in some other suitable manner.

When a Committee ascertains that another Committee is or should, in its judgment, be considering a subject which the former is also considering, it shall proceed to arrange for a conference of representatives from the respective Committees in order to settle the question at issue. If by this process agreement as to location of responsibility cannot be reached, the matter shall be referred to the Committee of Chairmen.

### **Rule 33. Alterations in Restrictive Rules**

Reports from Committees, and all other papers which propose an alteration in the Restrictive Rules of the Church, shall state the alteration proposed to be made, and the form of the motion shall be: "Will the Southeastern Jurisdictional Conference recommend to the General and Annual Conferences the change indicated above?"

### **Rule 34. Standing Committees Report to Secretary**

At the close of each day's meeting the Chairman and Secretaries of the several Standing Committees shall provide the Secretary of the Conference with copies in TRIPLICATE of all Reports adopted by their respective Committees for presentation to the Conference. The Secretary shall enter said Reports on the Calendar in the order in which they reach him and shall furnish the Editor of the *Daily Advocate* with one copy of each of the said Reports for publication in the next day's issue.

### **Rule 35. Published Reports in Possession of Conference**

A Report of any Committee signed by the Chairman and Secretary thereof shall be regarded as in possession of the Conference on the next day after its first appearance in the *Daily Advocate*, and in

order for consideration at the pleasure of the Conference. The same Rule shall apply to a Report of a Minority of any Committee signed by one-tenth of the members of the Committee or by ten members thereof. (See Rule 17, and Rule 23.)

### **Rule 36. Preparation and Printing of Reports**

All Committee Reports shall be presented to the Secretary of the Conference in TRIPLICATE on paper provided therefor, and bearing at the top of the name of the Committee, its total membership, the number present at the time the Report was adopted, the number of voting for and against the Report, and the number not voting. Reports of the Standing Committees shall be printed in the *Daily Advocate* at least one day before being presented for consideration by the Conference, and they shall not be read unless by its order.

Reports of Minorities of Committees adopted by them with a view of their being offered as substitutes for Committee reports shall likewise conform to this Rule so far as it is applicable, indicating clearly to what Committee the respective Minorities belong and for what Report, or Reports by serial numbers, etc., they propose the respective substitutes.

### **Rule 37. Committee Chairman Not in Harmony with Report**

When the Chairman of a committee is not in harmony with a Report adopted by the Committee, it shall be his duty to state the fact to the Committee, which shall elect one of its members to represent the Committee, and said representative shall have all the rights and privileges of the Chairman in relation to such Report.

### **Rule 38. Presentation of Report of Minority**

A Member selected by the signers of a Minority Report of a Committee to present the same shall have the same rights and privileges in relation thereto which belong to the Chairman in the presentation of the regular (Majority) Report of the Committee, except that he may not present said Minority Report until the Majority Report has been presented and shall then offer it as substitute therefor, and except, further, that in closing the debate on the question of making the substitution the member presenting the Minority Report shall speak first and the Chairman last. (See Rule 23.)

### **Rule 39. Speakers for and Against**

When the Report of a Committee is under consideration, it shall be the duty of the Presiding Officer to ascertain, when he recognizes a member of the Conference, on which side he proposed to speak, and he shall not assign the floor to any member proposing to speak on the same side of the pending question as the speaker

immediately preceding, if any member desires to speak on the other side thereof.

Except for undebatable motions, no Report shall be adopted or question relating to the same decided without opportunity having been given for at least one speech for and one against the said proposal; provided this right is claimed before the Chairman or duly authorized member representing the Committee's Report, or the Minority Report, if there be such, is presented to close the debate.

When all have spoken who desire to do so, or when (and after) the Previous Question has been ordered, the Chairman or/and duly authorized member or members presenting the Committee's Report (and the Minority Report if there be one) shall be entitled to speak before the vote is taken.

This right of the Chairman and/or other member, or members to close the debate shall prevail in like manner, to a limit of five minutes, when a vote is about to be taken on a motion to amend, to substitute, to postpone, to refer, to lay on the table or any other motion whose adoption would vitally affect the Report under consideration; provided, that this five-minute limit shall not apply to a motion to substitute a Minority Report for a regular (Majority) report of a Committee.

#### **Rule 40. Legal Enactment**

All actions of the Southeastern Jurisdictional Conference of The United Methodist Church shall become effective upon the adjournment of the present session (1972) of the Southeastern Jurisdictional Conference of The United Methodist Church, unless otherwise specified.

This plan of Organization and these Rules of Order may be amended or changed by a two-thirds vote of the Conference; provided the proposed change or amendment has been presented to the Conference in writing and referred to the Committee on Rules, which Committee shall report thereon not later than the day following. (See Rule 26 (4).)

#### **Rule 43. Roberts' Rules of Order Revised, Supplemental Authority**

If any parliamentary situation not clearly covered by this Plan of Organization, or these Rules of Order, the Southeastern Jurisdic-

tional Conference shall be governed in its action by Roberts' Rules of Order, Revised.
